### Summary

---

I am an enthusiastic computer science student with 2 years of experience as a Front End Developer. I have skills in front-end technologies like HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, WordPress, and PHP. I have worked to improve website performance and user engagement. My WordPress expertise allowed me to create dynamic websites that increased client satisfaction and traffic. I mentored 30+ interns, implementing a focused training program that accelerated their learning. My skills include ReactJS, JavaScript, PHP, WordPress, HTML/CSS, Bootstrap, and Tailwind CSS. I am interested in UX/UI, development operations, testing, debugging, and usability research. I leveraged my expertise to deliver solutions for clients that optimized their online presence and impacted their success.

---

### Professional Experience

---

#### **Virtuenetz**

August 2021 – present

#### **Front End Developer**

As a Front End Developer at Virtuenetz, I played a pivotal role in delivering cutting-edge web solutions that exceeded client expectations. With a keen eye for design and a strong focus on user experience, I collaborated with cross-functional teams to translate concepts and wireframes into fully functional, responsive, and visually appealing websites.

#### Key Responsibilities and Achievements:

- **Front-End Web Technologies:** Leveraged expertise in HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, WordPress, and PHP to engineer over 10 high-impact web projects. Improved website performance, resulting in an average load time reduction of 30% and a 15% increase in user engagement.
- **Effective Communication:** Successfully conveyed complex technical concepts to non-technical stakeholders, facilitating understanding of project requirements and progress. Collaborated with design and backend teams on 15 projects, leading to a 20% increase in development efficiency.
- **WordPress Expertise:** Utilized WordPress to create 20 dynamic, high-quality websites, leading to a 25% improvement in client satisfaction and an average 10% increase in website traffic.
- **Intern Mentoring:** Mentored 20 interns through hands-on workshops, code reviews, and walkthroughs. Implemented a focused training curriculum that accelerated learning, resulting in a 40% reduction in onboarding time for new team members.

My time at Virtuenetz has not only honed my technical abilities but also strengthened my ability to work collaboratively in a fast-paced and dynamic environment. I am excited to leverage my web development expertise, including proficiency in WordPress, to contribute to innovative projects that drive positive user experiences and business growth.
